

ABOUT THE GARDEN CLUB OF TEANECK eNews

This pilot eNews is aimed at helping you keep up with the Garden Club of Teaneck's events. The tweet-like email, short and simple, features officers' notes and club events.

For the near future, you will receive eNews monthly, supplemented by emails about specific events from those running them.

In initial material of this type, there are bound to be mistakes. Therefore, I ask your forgiveness after the fact rather than permission (to make them) before.--Editor: Pat Libutti : libutti@gmail.com

NOTES FROM OFFICERS

Robin Jackson. President

Dear Members,

We need your input. Please attend the upcoming meeting and bring with you some ideas for gardening-related topics and activities that you would like to see offered by the club. Also, we have several volunteer opportunities that you may be interested in to help support the objectives of the club. Happy Thanksgiving!

Len Schwartz, Greenhouse Director

Greenhouse Business: 1) Groups start meeting after Nov Sat. meeting. Each group should start propagation of about 100 plants for the school program. U keep assignments are in effect.

2) Please spray incoming plants OUTSIDE of Greenhouse before they are brought in.

Doug Raska. Horticultural Director

We have lots of members' plants in the Greenhouse to use as mother plants for production. This year, there are lots of colorful coleus and variegated geraniums.
